LEAVE THE BEACH. TAKE THE SAND.

The URBAN SAND ROLL TOP backpack made from robust tarpaulin is ready for whatever the day brings. The durable, wipe-clean material in a modern sand colour reliably protects laptops up to 17", tablets and more from the elements. The roll top closes quickly and securely thanks to its magnetic fastener, while water-repellent zips and the concealable zip pull that doubles as a mini carabiner provide extra security for the front pocket. Clever interior compartments, a hidden pocket for tracking devices such as the APPLE AirTag®, and a discreet rear security pocket keep everything organised on the go. With a capacity of around 15 litres, a trolley sleeve and IPX4 splash protection, it is the ideal companion for the office, commuting and travel.

FLEXPATCH

FLEXPATCH gives your logo or design a modern, premium look with a tactile texture and strong visual impact. The raised design creates a distinctive 3D effect and adds an impressive sense of depth.

With this customisation technique, a flexible silicone patch is attached to the product using a hook-and-loop fastening. The surface offers a pleasant feel, a premium appearance and excellent durability for everyday use. At the same time, the patch can be replaced at any time, allowing for flexible, individual customisation with strong brand recognition.

FLEXPATCH is available exclusively for selected products in the Night Spark range with a suitable customisation area. This ensures an optimally coordinated result - premium, precise and long-lasting.

CLASP

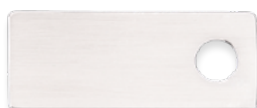

With a single press, the patented clasp opens and your key slides onto the ring. Quick, effortless and without any risk to your fingernails. It works just as easily on the large ring as on the three smaller ones. Open, attach the key, close - done. TROIKA NAIL GUARD with patented clasp: the smarter way to use a keyring. Made from stainless steel with a matt silver-coloured finish.
