2026 Collectible of the Year

Zippo's 2026 Collectible of the Year is a celebration of Generations: from the four generations of Blaisdell family leadership to multiple generations of Zippo employees, customers and collectors, Zippo is honored to share its legacy with so many families around the world.

Four concentric circles, representing the four generations of Blaisdell family leadership, center on an epoxy-filled Zippo flame icon on the Armor® case. From there, the MultiCut design radiates around each side in an endless ripple effect, symbolizing the multiple generations of Zippo employees, fans and collectors to whom Zippo owes its success.

Three region-specific versions will be offered globally: an Armor® Black Ice® case with a black insert and red epoxy inlay for the Americas; an Armor® High Polish Black case with a black insert and black epoxy inlay for Europe, the Middle East and Africa; and an Armor® Tumbled Brass case with a gold-flashed insert and red epoxy inlay for the Asia Pacific region. Each keepsake is consecutively numbered, authenticated with a Luxury bottom stamp and comes packaged with a commemorative booklet that features names and stories from multi-generational employees, customers and collectors around the world.

Orders will begin shipping in Spring 2026.
